REPORT

D.J. Academy for Managerial Excellence organized a Student Development Program – An online Workshop on Commodity Derivatives in association with MCX – Mr. Shrikant Koundinya FCMA, CGMA, Assistant Vice President-Market Development(Training & Development), MCX, Mumbai was the Resource person for the session. Around 350 students & professionals across India attended the online workshop on commodity derivatives. He explained how to strengthen their hold and grasp of the fundamentals of Options being traded on commodity futures. Key learning takeaways would be on how exchange-traded commodity options can be used for investment objectives, analysis of key trends and market indicators to formulate effective option trading strategies, and understanding pricing mechanisms for informed trading and risk management decisions. The session was followed by a Q & session. Students, faculty members of DJAME, and other institutions took part in this interaction initiative.
