

Action taken report

2017-18

The feedback analysis and suggestions received from various stakeholders is as follows:

1. Students offered the following suggestions
 - a. To offer more corporate exposure through live assignments
 - b. Arrange more number of industrial visits
2. Teachers offered suggestions on working together with students to publish papers and present in conferences
3. Alumni interaction should be strengthened.
4. Alumni suggested to offer more industry relevant certificate courses
5. Employers appreciated students support and coordination during placement drives.

The suggestions were consolidated and submitted to the director and recommendations were communicated to the Board of Studies in Management, Bharathiar University
